NeuroRestorative

Location & Setting

We provide a variety of community-based, inpatient treatment programs located in **Blacksburg** and **Weyers Cave**. From our five-acre estate nestled in the Shenandoah Valley to urban programs located in the vibrant Virginia Tech community, we offer participants a **range of settings** to meet their personal **interests** and rehabilitation **goals**.

Our Victorian-style estate in Weyers Cave is handsomely decorated and offers wonderful amenities including an indoor pool, spacious bedrooms and living space and beautifully-landscaped grounds. Our Blacksburg program is located in a quiet neighborhood setting and offers unique recreational therapy opportunities including an air hockey table and the Wii gaming system.
