"I tell myself every day that I can do it and I keep pressing on. I know I can do anything I set my mind to."

-Tony,
a person served by
NeuroRestorative

Location & Setting

Located in a quiet residential neighborhood in the heart of **Augusta**, our Georgia program offers a home-like, therapeutic environment. Its centralized location provides the unique opportunity for collaboration with several neighboring institutions, including the Georgia Regents Medical Center, University Health System, the Augusta VA Medical Center, Trinity Hospital, Doctors Hospital and Aiken Regional Medical Centers.

Our grounds are also home to the **Bill Monge Horticultural Center** offering participants a unique vocational development opportunity.
