

NeuroRestorative Michigan is a leading provider of post-acute rehabilitation and support services for adults with brain and spinal cord injuries and other neurological challenges.

In a variety of locations and settings, including programs in Ann Arbor, Clarkston, East Bay, Grand Rapids, Novi, Traverse City, Warren and Whitehall, we offer a continuum of care and community-based, functionally-oriented programs. Our Residential, In-Home & Outpatient Therapy, and Vocational Services empower participants as they work to regain their independence and continue along our continuum of post-acute rehabilitation options.

Our individualized, outcome-driven programs occur within both community and in-home settings, including:

- Neurorehabilitation
- Neurobehavioral
- Structured Community
- Licensed Residential Programs
- Transitional Services
- Day Treatment
- Outpatient Services
- Respite
- Neurofunctional Home & Community
- Vocational Supports and Services
