“It’s really hard sometimes. I just tell myself everyday that I can do it and I keep pressing on.”

-David, a person served by NeuroRestorative

## Location & Setting

Centrally located in **Las Vegas**, our facility provides convenient access to hospitals, physicians, shopping, and multiple **recreational options**. The program also offers **daily activities** supervised by qualified and **specialty trained staff** on-site and in the community.

Situated on a 3/4 acre lot in the **heart of Las Vegas**, we offer a lovely, ten-bed **therapeutic setting** that is completely accessible for individuals with physical limitations. The program features a large yard with a covered patio for recreation.
